

BHARATIYA VIDYA BHAVAN SCHOOL CHEVAYUR

ANNUAL REPORT 2020-21

Though the campus was all too quiet....

The walls were splashed with colours bright

With paintings done by student artists

Observing covid protocols.

Though celebrations were not

Observed on campus stage

The festive events found its place

On the virtual space

Though the playground remained empty, desolate and barren brown

The physical drills and games went on in full swing

And competitions were won when opportunities knocked

Though the usual choir clusters were missing

Videos were made with the Bhavans' canaries singing

Though the classrooms lost its life

No noise of movements and the voices gone...

Virtual platform came alive

And made interaction with human presence possible

Yes, nothing ever ends...there is always new beginnings...

It's true, in crisis, there comes clarity amidst chaos, only when you don't give up. The year 2020-2021 helped us to explore the invincible spirit vested in us that triumph against all odds no matter how challenging times may be. The way we conducted all our institutional

endeavours at Bhavans Chevayur – academic, co-curricular and even sports activities for the academic year 2021-2021, in the face of the pandemic and the subsequent lockdown, bears ample testimony to this truth. It taught us, there are always solutions to every kind of challenges we are placed in. None of our routine official works were stalled; only the mode and medium of functioning was different. Through virtual platforms and through social media apps, technology helped us to tide over them smoothly, enabling us to complete another academic year quite successfully. What we have accomplished has been achieved only with the unstinted support and confidence the management reposed in us that promised us a safe and secure working ambience and everything fell in to place with our committed faculty who upgraded themselves technologically as the situation demanded. We are convinced, when the going gets tough, the tough gets going, it only takes perseverance and willingness to keep going.

RESULT ANALYSIS

Result analysis Class IX (2020-21)

	IX A	IX B	IX C	IX D
Class strength	39	38	41	41
Total no of students passed and promoted	39	38	41	41
Total no of students promoted with undertaking	5	3	5	6
Total no of students appeared for retest and passed	1	0	0	1

Result Analysis (Class-XI)				
	XI-A	XI B1	XI-B2	XI-C
Class strength	39	31	20	38
Total No. of Students passed and promoted	29	28	8	33
Total No. of students promoted with undertaking	7	2	4	3
Total No of students appeared for retest and passed	3	1	8	2

Report of Annual examination for Class XI and IX (2020-21)

Annual examination for classes XI and IX was conducted during the dates 26-02-21 to 15-03-21. Examination rooms were arranged with a seating capacity to accommodate only 12-13 students in a room with one invigilator. All Covid 19 protocols were followed by students and teachers at school. It was conducted successfully and results were published online mode on 19-03-21. E-report card of the students were mailed to the parent's email personally.

The theme for National Science day being 'Impact of science, technology and innovation in education, work and skills', by introducing e-report card, we have literally realized the theme. We have shown how technology has been utilized for education at work place, exploring technical skills. The idea of e-report card was introduced which made things very easy for parents and teachers especially in this Covid time.

Results were entered by subject teachers and totaling was done by the computer itself based on the formula provided. Student's details were carefully entered by class teachers and signatures of Principal and class teacher were scanned and pasted.

Parents could avail it through their mail and the response was wonderful. Proving once again "Technology in use".

Merits of e-report card

- Innovative, efficient and less cumbersome.
- Apt and best suited method during the time of pandemic.
- Easy way of announcing results.
- Time saving for both teachers and parents.
- Easily and always accessible to parents and students alike.
- Very economical (use of paper)
- Effective teacher productivity
- Instills confidence in teachers to cater to new gen needs.

Admission details 2021-22

Bhavan's School Chevayur

Minutes of Staff meeting – 2020-21

Staff meeting was conducted online on the following dates:

12/6/20

Principal briefed on the online classes and how the classes are to be conducted in Microsoft teams. A training session for the teachers will be conducted soon. The duration for the online classes will be according to the MHRD rules.

9/7/20

- Discussion on Merit evening .Felicitation of toppers of AISSE & AISSCE.
- Conduct of 1st Unit Test for std 10&12.
- Unit test (On line) for std 10 & 12 commences from 13th July.

31/7/20

Merit Evening

24/8/20

- Discussion on the online teaching.
- Teachers mentioned the ways they were trying to make the classes more effective.
- Discussed on the virtual Onam celebration. Time & date for the same was fixed.
- Unit test for std 6 to 9 was also planned.

27/8/20

Class wise Virtual Onam Celebration in the morning and department wise celebration in the evening.

14/9/20

- Meeting with KG teachers
- Principal and HM briefed on different methods to make the KG classes more effective and attractive.

31/03/2021

- Started by 11.45 am and finished at 01.45 pm.
- Discussed about the experiences in online teaching.
- Welcomed the suggestions for the next academic year.

Minutes of the Parent Teacher Meeting conducted class wise from 15/9/20 to 18/9/20 & 22/12/20 to 25/12/20.

Parent Teacher Meeting was scheduled on the following days:

* 15/9/2020 to 18/9/2020 - 1st Term

* 22/12/2020 to 25/12/2020 - 2nd Term

*Class teachers gave a brief description on the on-line classes conducted via MS Teams.

*All the subject teachers briefed regarding their subjects, portions, subject enrichment activities, developing of writing skills, Art integrated projects, Assignments, important days celebrated online, importance of each child joining in the class activities etc.

*Few parents cleared their doubts on as how to help their wards in the studies and how to encourage the students in reading books other than the text books.

* Teachers answered their queries.

*In general parents seemed to be happy on the conduct of the online classes.

Workshops attended by teachers

All the teachers attended several workshops, orientation programmes and webinars by various organizations and CBSE COE. The details of CBSE workshops attended by teachers are attached herewith.

Webinars conducted by the school for the students of various classes

Sl.no	Date	Guest	Attended by	Topic
1	03/07/2020	Mr. Sebin P Varghese	XI & XII Commerce	How to be positive during Covid times
2	29/07/2020	Sri.Rishiraj Singh IPS	IX to XII	Drug abuse
3	05/08/2020	Sri. Bijin Krishna IAS	XI & XII	High Flyers Award Ceremony
4	09/08/2020	Dr. Priya Velayudhan Dr. Dayal Narayan Anila V Menon	Whole school	Health care and Cyber Security
5	12/09/2020	Mr.Saurav Kishan, Jr.Rafi	Music Club	2 nd anniversary of Bhavan's Radio
6	05/12/2020	Dr. Sanathanan Velluva	XI & XII	Career guidance
7	12/01/2021	ICAI Kozhikode	XI Commerce	Career guidance
8	22/01/2021	Dr.Jayathilak IAS	XII	Career guidance
9	02/02/2021	Dr.Koppillil Radhakrishnan, ISRO	XI & XII	Motivational talk
10	18/03/2021 – 23/03/2021	Webinar series by Alumni	X	Being Where You Belong

We have started a webinar series titled, 'Being Where You Belong', for the students of Class X. Five prominent alumni, successful in different fields of works were the speakers. The main purpose of the webinar is to make the students aware of the fact that while choosing a career, their interest also matters. The children found the webinar series very informative and engaging. We hope to continue this series in the coming months too.

Reports from various departments

Drawing (submitted by Sindu N)

Since the covid-19 pandemic has disrupted the normal lives of the whole of humanity the virtual world has come to the rescue of the whole education system. Our school also had shifted to virtual platforms to conduct classes online.

I also transformed one room of my home into an enticing space where I can help my beloved students to unleash their imagination and create beautiful works of art.

Several videos were made on the COVID theme, of these the first one was released on the 8th of June. The video focused on the following ideas -

1. Crumbling humanity in the clutches of Covid-19.
2. Spreading awareness not fear.
3. In times of test, family is the best.
4. Nature heals when man retreats.
5. Pillars of hope the real super heroes.
6. Zooming to the digital world

<https://youtu.be/ae9ZPk1Dkws>

The other activities were

- ❖ Designed a cover page for the school's creative diary named "Covid Musings", and also contributed an image of my painting "Pleasant Nature" which was done on a 3-foot mud pot.
- ❖ Guided and motivated another group of students to create few beautiful paintings for the Onam celebration video.

<https://youtu.be/HIS5UyqdKcs>

- ❖ Coordinated department wise online Onam celebration for the staff members.
- ❖ During the month of February, I and my 21 pairs of creative little hands from class 6 and 7 could beautify the walls of our tiny tots play area. With the guidance of

beloved principle, we completed 10 wall panels on the theme “A beautiful day in my life as Bhavanite”.

I, with the helping hand of Mr.Sajeendran, could guide my little artists to complete the art work in 10 days. All the 21 students were given a certificate of appreciation by Pidilite India Limited.

- ❖ During this academic year 2020-21, according to the time table given, classes were conducted on every Saturday and few other week days.
- ❖ With support of our Management, Principal, Vice Principal, Headmistress and faculties the Computer department I could complete 183 sessions, each of 45 minutes for the students of LKG to Class IX. During these sessions I could enrich the innate talents of the students.
- ❖ Various topics on different art methods, techniques and traditional art practices were covered during this academic year.
- ❖ Attended various workshops by experts, which was organized by Fevicryl India Ltd.

Craft (submitted by Nisha A)

Classes were conducted online for students from class KG to 9. Online classes were taken on Saturdays. One hour was allotted for each class.

For Kg class, an activity using paper was done.

Activities given in the prescribed text (Colour Wheel Art and Craft) was done in class for classes 1 to 5.

Attaching the activities done during the academic year:

Class 6

Activities using:

- Cloth: Mask, T shirt – pillow cover.
- Ice-cream stick : Wall shelf, flower vase
- Paper : Christmas cards

- Vegetables : Vegetable painting

Class 7

Activities using:

- Cloth : T shirt bag
- Paper: Newspaper flower vase, paper pen, Christmas cards, Christmas decorations, stars etc.
- Glass bottle : Bottle art using acrylic colour
- Acrylic paint: Nib painting method, masking tape painting method using ear buds
- Acrylic outliners : Bottle art

Class 8

Activities using:

- Cloth : Door mat
- Acrylic paint: Tie and dye method, vegetable painting (kerchief, pillow cover, table mat), rainbow art for bottle and Bathik resist painting.
- Using glass paint : Textured glass painting
- Using pulses : Macow art

Class 9

Activities using:

- Acrylic paint – Mexican pot painting
- Soap base – Soap making

Music (submitted by Santhini Aravind)

It's been over a year since we have had an almost empty campus. The spread of Coronavirus has made all of us (teachers as well as students) confine to our homes and classes were remotely conducted online. Since it was a Covid period I had the opportunity to think and try different things. To continue the engagement of students in co-curricular activities

(Music) during their busy schedules, I came up with the following activities (Link to the programme/video also shared):

1. Formation of a WhatsApp group 'Bhavans Music team':
 - a. This group comprises of over 90 singers who are both our current Junior students as well as alumni. This created a platform for students to share their performances and achievements and also appreciate one another on their wins.
2. Created a video 'Nostalgia' a prayer, through the participation from alumni students (16 students) currently residing around the world, during the school reopening. This was uploaded on our YouTube channel and was viewed extensively by all. (https://youtu.be/PmExrH6_500)
3. On account of the world Music day on June 21st, created a poster ('Happy World Music Day') with the images of members of Bhavans music team. This was shared on Facebook as well as to teacher's and parent's WhatsApp groups.
4. Created a Patriotic video song with 30 students in connection with Independence Day Celebration (https://youtu.be/BvYQxS2_1I)
5. During Onam, another video song with 39 students singing the Onam song was released (<https://youtu.be/X5-zUwpdIA>)
6. A tribute to SP Balasubramanian through a Gananjali by 15 students from Bhavans music team singing his wonderful pieces. The students also honored him through a prayer. This audio was shared with the teacher's and parent's WhatsApp groups.
7. Celebrating the second anniversary of Bhavans Radio 19.90, the team got together virtually with Chotta Mohammad Rafi, Saurav Kishan (Alumni of Bhavans) as the chief guest. (https://www.youtube.com/watch?v=C0_bVYxENgc)
8. Created a Bhaktigananjali video song with 11 students on account of Navrathri festival. (<https://youtu.be/AMV-ayDRU58>)
9. Bhavan's music team created a video to honor the Music legends and Padma awardees of the year 2020-Sri S P Balasubramaniam, Smt. K S Chitra and Sri Kaithapram

Dhamodharan Namboothiri. This video was later uploaded on Facebook and was also shared in Teacher's and Parent's whatsapp groups.

10. Ended the academic year with a video song on a hope for a wonderful and safe year for us all. It was sung and acted by 30 students and completed with the help of Mrs. Vandana Saneesh (Computer Science Dept). This was shared with all class groups and was played during online classes. (<https://youtu.be/N3FLZH1zq38>)
11. Technical support for all the programs except "Nostalgia" was assisted by Mrs. Vandana Saneesh (Computer Science Dept).
12. It was my first experience conducting online classes. My online classes started on 13.06.2020 for classes from, LKG to 9th std. I have completed 176 classes so far.
13. Taught patriotic songs (in different languages), melodious songs, Bhavans anthem, classical music etc. to the students. Also gave project work for 7th, 8th and 9th standard students, which they would email to me for grading.
14. Encouraged my students to sing their favorite songs during each class and given necessary corrections whenever it is required.
15. Encouraged students to play any musical instrument that they are versatile in during class hours.
16. Every class concluded with an interactive music session "Anthakshari".
17. Encouraged students to participate in musical reality competitions conducted by various TV channels (Mazhavil Manorama , Flowers).

In conclusion, students have expressed their interest to attend the music classes and actively participate in class activities.

Dance (submitted by Sajeendran)

In the beginning of the academic year it had felt as an impossible task to shift classes from the dance hall of the Vivekananda Block of Bhavans Chevayur to a virtual classroom. But

with the immense support of the Management and Madam Principal, I could beautifully make the 'impossible' 'possible'. Virtual dance classes were conducted every Saturdays - each session of 45 minutes -for students from class 1 to IX. Students from class I to IV were taught ധ്യാനാശ്ലോകം, നമസ്കാരം, തട്ടട,വ്ഹസ്തഭേദങ്ങൾ, അസംയുതഹസ്തശ്ലോകം. Also interested students were able to perform various dance items from the class itself.

For classes V to IX an addition of ചതുർവിധ അഭിനയം, ദൃഷ്ടിഭേദം etc., and their meanings were taught. These students were given chance to choreograph a 3min dance piece of their choice and most students had come up with beautiful performances. Other activities comprised of a project on Mohiniyattom for the students of class V and VI and one on 'Navarasa' for students of class VII, VIII and IX.

Thanks to our beloved Chairman Sri.Acharya A.K.B Nair for giving the idea of a semi classical dance piece on the theme of Covid to spread awareness among children about the pandemic. The idea conveyed through the dance form of "Ottamthullal" by a class VI student who conveyed the importance of proper hand washing, social distancing and wearing masks through the performance. Co-ordinated department wise online Onam celebration for staff members. Also supported the team involved in creating beautiful wall paintings in the nursery play area.

Sloka (submitted by Jayasobha)

The report of various activities undertaken during the academic year 2020-2021 is given below.

Due to Covid -19 and the subsequent lockdown and other restrictions the classes to students were mostly online.

From June onwards online classes to students started. Sloka classes started only July onwards.

For a programme in Amritha TV, Devananda of class third and Arya Manjush of class fifth were given training to recite Bhagavad Gita.

During Navarathri on all nine days, children from classes 4th to 11 were trained to recite Devi sthotra.

Following activities were given to classes I to VII

- STD I General Sloka Karagre vasathe...,Samudra Vasane,Gange cha Yamune.....
- STD II Bhagavad gita 4 sloka in Dhayana sloka(Om Parthaya..., Namosthute... Prapanna.....Sarvopanishado.. also general slokas and taught the students to school prayer... recitation along with their meaning.
- STD III Bhagavadgita (chapter 1 three slokas), also general slokas and school prayer.
- STD IV Bhagavadgita (chapter 12 four slokas), also general slokas and school prayer.
- STD V Bhagavadgita (chapter 15 Five slokas), also school prayer.
- STD VI Bhagavadgita (chapter 10 Five slokas), also general slokas and school prayer].

STD VII General slokas and school prayer.

Yoga (submitted by Kavitha)

The report on the various activities undertaken during the academic year 2021-21:

Due to Covid-19 the classes were conducted online. From June onwards online classes started.

We celebrated Yoga day on June 21st by giving online yoga lessons for all classes. In the afternoon we arranged a virtual class, as well as a get together for teachers.

In connection with 'Fit India Week' on 4th December 2020 at 9.30 AM, we organized a demo programme with Vth std students.

I conducted classes for I and II std students and taught them toe bending, finger bending exercises. After the class there were fun filling activities like dance and music.

In my weekend classes I taught III std to IXth std students yoga posters Surya namaskara, limitations and benefits of Asanas, meditation and Kapalabathi pranayama for mental strength. I enjoyed yoga classes very well with LKG and UKG students.

I arranged two week training programme for selected students. Then our students participated in online yoga championship conducted by "Yoga Association of Kerala". Aakruthi of IXth std won II prize and got selected for State Championship. Adidev P S of IV std won III prize. Amogh warrier, Gourinandha, Mayoogha, Mahalakshmi, Sreya, Diya, Ariyan, Anviya and Rudra performed well in the competition.

I made a year plan to conduct the classes. All students expressed their interest to attend the yoga class and shared their activities and feelings about the Covid-19 pandemic year.

Physical Education (submitted by Sanila Soman and Dharmavruthan)

This year due the Covid 19 pandemic, entire world experienced a new way of education among children. Teachers also experienced a new way, online, of taking class. With this sudden shift away from the traditional class room we got opportunity to adopt a wide range of virtual learning tools and softwares to make the class room lively and interesting. Though

online classes have a lot of benefits it has a lot of drawbacks also. One of the main problems is health issues like increasing eyesight problems with frequent headaches, anxiety and depression due to home confinement along with sleep disorders. In order to strengthen physical and mental fitness, among students, Physical Education Department of Bhavan's Chevayur actively participated in online programmes like Fit India Freedom Run from 30th September to 2nd October, where students were asked to run in and around their house according to the availability of space and send the videos. Around 600 students, teachers and parents participated in the Fit India Freedom Run .We also conducted a Fit India School Week Celebration in the second week of December. The following were the programmes conducted:-

- ❖ Fit India School Week Celebration started with the message from our Chairman.
- ❖ Special virtual assembly was held.
- ❖ Free hand exercises were performed.
- ❖ Students did Yoga with the guidance of Mrs.Kavitha.
- ❖ Quiz related to Sports/Fitness were conducted.
- ❖ Poem writing on the topic "Fitness beats pandemic" was held.
- ❖ Preparing advertisement on the topic " Hum Fit Toh India Fit" was held.
- ❖ On the days of Fitness Week Celebrations Physical Education experts Dr. Roy John and Sri Sasidharan gave speeches about the importance of fitness.
- ❖ Students performed Kalari payatu and Karate.
- ❖ The Fit, India School week celebrations ended with the message from the Principal, Mrs. Thara Krishnan.

When we think of Physical education, first thing comes to our mind is running, jumping, playing etc., which we cannot even imagine, how it is going to be virtually possible. We realized and proved that we can be physically fit by doing exercises within a room also.

PT classes began on 13th June 2020, Saturday for Primary classes with some stretching exercises and warming up exercises.

Higher classes were given circuit training, endurance training, high intensity interval training, maintaining legs strengthening exercises. Later on they were given training modules focusing on speed, endurance and agility. Few classes were taken for understanding the rules and regulations of some games like Kho-Kho, Basketball etc.

Special coaching in Athletics and Basketball is still going on.

The following students excelled in the Physical education field 2020-2021:

Roller Skating (Kozhikode District Championship)

1. Aadhav Chandra - 3 gold medals
2. Pratik A.K - 3 Silver medals
3. Azeem Nazer - 3 bronze medal and 1 silver medal
4. Prithvi - 2 gold medals
5. Karthik - 1 gold medal(Roller hockey)
6. Ankith Shajesh - 3 Silver medals
7. Devika Sunil - 3 Silver medals
8. G Keerthi - 1 gold medal and 1 silver medal
9. Sarah K - 1 bronze medal

Roller Skating (Kerala State Championship)

1. Prithvi - 1 gold medal
2. Azeem Nazer - 1 silver medal
3. Karthik - 1 bronze medal

Roll ball State

1. Vasudev K.S - 1 silver medal
2. RexT. Sabu - 1 silver medal
3. Kasyap. S.Balram - 1 silver medal

Rifle shooting in South India Championship

1. Aswathi M.S - 2 Silver medals

Basket ball (Kozhikode District Junior and Youth Team)

1. Amartya Menon - Youth
2. Akash Paul - Youth
3. Rohan P.C - Youth
4. Abhinandana - Youth

Junior Team

1. Prahalad T
2. Amartya Menon (stand by)

Taekwondo State

1. Abhinand Manoj - 2 gold medals

Athletics (Kozhikode District Junior Athletic Meet)

1. Devak Bhooshan - I highjump
2. Angelina Anna Jaison - II in 600 metres
3. Kiran.R.Ashok - II highjump
4. G.Keerthi - II highjump
5. Harigovind - II shotput
6. Mayuka Binu - III triathelon

Athletics State

1. Devak Bhooshan - II highjump
2. Angelina Anna Jaison - II in 600 metres

These students were selected to participate for Kerala State Athletic team.

We hope that our children did all the exercises, fitness training given by Kerala Olympic Association, "Fit India" and self-defense practices at home with utmost interest and care for their health. We are also satisfied with the performances of our kids.

Library (submitted by Roopa Mukundan)

The report on the various activities undertaken during the academic year 2020-21 is given below. Due to Covid-19 and the subsequent lock down and other restrictions the classes to students were mostly online.

From June onwards online classes to students started. Library orientation was given to students of 3rd to 9th. Different types of Library, various resources of library, how to effectively use a library, rules and regulations etc. were briefed to students. Students of classes 3rd to 6th were also asked to prepare an Origami Library.

Reading Day

Various assignments were given to students in connection with the reading day. To mention a few:-

- 'Read aloud ' a story in any language and upload the video
- Explore any Fairy tale and draw the favourite character
- Create a comic strip

Video on Reading Day A video was made to highlight the importance of **Reading**. Message from Principal, storytelling by students, books reviews etc. were included in the video.

Quiz Competitions - To commemorate the death anniversary of Vaikom Muhammed Basheer, a Quiz competition was conducted to students of 5th and 6th standard students through MS Teams. Similarly to commemorate the death anniversary of APJ Abdul Kalam, Quiz was conducted for 5th to 8th Standard students. Also all students were instructed to read APJ's autobiography namely, Wings of Fire. Quiz competition was conducted for students in connection with Kerala Piravi.

Online Magazine - An Online Magazine was released by the students of 6th and 8th standard students.

Audio Books - Various Audio books were made by students of 7th, 8th and 9th standard.

I am attaching below the details of various other activities given to students

Third Standard

- Write a poem about Kerala
- Collect Ten Riddles either in English or Malayalam
- Read two stories from Arabian Nights
- Draw a picture of Chachaji (Jawaharlal Nehru)
- Write a short summary about a story in your library note book and draw a picture about your favourite Character
