ABOUT THE THEME

In a world marked by diversity and differing viewpoints, Samnvay calls upon young delegates to embrace cooperation, consensus-building, and respectful dialogue. The theme reflects the spirit of the Model United Nations, where diplomacy replaces discord and collective wisdom guides global decision-making.

With delegates representing All India Bhavan Schools from six South Indian states, this MUN serves as a platform to celebrate unity in diversity while nurturing responsible global citizens.

Shaping Minds, Strengthening Values

Bhavan's Shikshan Bharati

Shikshan Bharati, established in 1993, is the educational wing of Bharatiya Vidya Bhavan, providing academic leadership and ensuring uniform standards across 95 Bhavan schools - 87 in India and 8 in the Gulf region. It plays a vital role in shaping a cohesive educational framework that promotes excellence in teaching, learning, and school management.

Firmly rooted in value-based education, Shikshan Bharati is committed to nurturing confident, self-reliant individuals guided by strong moral values and a strong sense of social responsibility. Alongside academic achievement, it instils respect for India's rich cultural heritage and timeless traditions, empowering students to face life's challenges with integrity and purpose.

Under the aegis of Shikshan Bharati, the **Bhavan's Research and Development Centre**, established in 2016, was created to foster innovation in education through diverse initiatives and forward-thinking practices. One of the flagship programmes of this centre is the Model United Nations (MUN), which provides students with a dynamic platform to develop leadership, diplomacy, critical thinking, and global awareness.

Hon'ble. Chairman,
Bhavans Kozhikode Kendra

Bharatiya Vidya Bhavan has always stood as a bridge between the wisdom of our ancient civilisation and the aspirations of the modern world.

India, through the ages, has shown the world that unity can flourish amidst diversity. This timeless truth is beautifully captured in the thought “वसुधैव कुटुम्बकम्” - the world is one family. It is this very spirit that finds expression in the Model United Nations.

The Model United Nations is a forum where young minds learn to listen with empathy, speak with responsibility, and act with wisdom. When students from varied backgrounds come together under one umbrella, engaging in dialogue and diplomacy, they experience firsthand the ideals that the United Nations itself upholds - peace, cooperation, and mutual respect.

Our ancient prayer “लोकाः समस्ताः सुखिनो भवन्तु” reminds us that the welfare of one is inseparable from the welfare of all. In a world increasingly divided by conflict and misunderstanding, forums like the MUN nurture the values of Ahimsa and Dharma, guiding students to seek solutions not through confrontation, but through dialogue and understanding.

Guided by the age-old Indian ideal of “अतिथि देवो भव”, all are most warmly welcome to the City of Literature and to Bharatiya Vidya Bhavan School, Chevayur to witness young minds come together to learn reflect and grow together.
