

**OUR GREATEST  
MUSICAL ACHIEVEMENTS**

Since joining Bhavans in 1990, music has remained a constant and enriching part of my professional journey. Over the past 35 years, I have had the privilege of mentoring students across a range of school and inter-school competitions, contributing to a legacy of consistent achievement and artistic growth.

Despite our non-participation in the Sahodaya CBSE Kalotsav (2005–2013) and the All Kerala Bhavan's Fest (2014–2018), the commitment to musical excellence endured. Our students continued to excel on various alternative platforms, upholding the school's cultural vibrancy.

A significant milestone was the launch of Bhavan's Radio 19.90 in 2018, for which I had the honour of composing the original jingle and theme- an enduring identity for the school's broadcast initiative.

I remain deeply grateful to the Management, Principals, Colleagues, Students, Parents and my family for their unwavering support. These accomplishments have been made possible through shared vision, collaboration, and a sustained dedication to the arts.
